

The Future Mobility Newspaper

BREAKING NEWS (2023)

Heading

Translate your use case into a journal's heading that reflects the impact generated by WeCount.

Testimonial

Transform the use case into a testimonial. (Draw it and explain its history. As... , I can,... and then....)

Internal Elements

Data, actives, persona, unique elements and knowledge.

External Elements

Connect, collect, empower, enable, share.

From 2020 until today

How did we make it possible? (Success stories, first steps, interactions, key members, champions, positive items...)

First steps and results

What did we do in the first six months?

Innovation model

Value generated
(savings, contribution to the ecosystem, etc)

Value captured
(how do we capture value through interactions?, sources of income, etc.)
